Client concerns:

- TANK VENT VALVE AND BOTH LINES

1 - S65 TANK VENT VALVE AND BOTH LINES TO VALVE Note: TECH SMOKE TESTED THE EVAP SYSTEM AND NOTED THE CRANK CASE VENT LINE ON THE BOTTOM OF THE FRONT OF THE INTAKE PLENUM IS DISCONNECTED AND SMOKE WAS COMING FROM INSIDE THE INTAKE PLENUM. THIS INDICATES THE TANK VENT VALVE HAS FAILED IN THE OPEN POSITION CAUSING THE LEAK. TECH RECOMMENDS REPLACING THE TANK VENT VALVE. TECH NOTED THAT BASED ON THE LINE BEING DISCONNECTED, AS WELL AS THE PRESENCE OF THE AFTERMARKET INTAKE, THAT THERE MAY BE OTHER DAMAGE DONE SUCH AS THE LINES THAT ATTACH TO THE VENT VALVE. FURTHER REPAIRS TO THE EVAP SYSTEM CANNOT BE DETERMINED UNTIL THE TANK VENT VALVE IS REPLACED. TECH RECOMMENDS REPLACING THE VALVE AND EXAMINING THE LINES FROM THE VALVE TO THE INTAKE PLENUM FOR DAMAGE AND REPAIRNG ACCORDINGLY, AND THEN SMOKING THE SYSTEM FOR TIGHTNESS AGAIN.	TECH: P Fulone

TO OUR CLIENTS

Our labor charges are based not on actual mechanics' time, but rather on our retail labor rates multiplied by published industry time allowances, or on our judgment of the appropriate time to be charged. You will be charged no more than the estimated price approved by you on the reverse side. If we determine that different or additional repairs are indicated, you will be contacted for your advance approval of a revised estimate. Hazardous Materials Handling Fees will be charged, at standard rates, when items removed from your vehicle or items used in the process of repairing your vehicle, must be disposed of in compliance with applicable laws and regulations.

LIMITED WARRANTY POLICY AND TERMS

We take great pride in our work and want you to be satisfied with the results. For that reason, we offer the following limited warranty on all work we performed on this Work Order, unless stated otherwise on the reverse side.

All **REPAIRS** are covered for **36 MONTHS or 36,000 MILES**, whichever comes first.

If during the applicable warranty period this vehicle malfunctions due to a defective part we installed or labor we improperly performed, then we will, upon delivery of the vehicle to our repair facility within the warranty period, repair or replace the defective part and/or re-perform the labor at no additional charge to you.

THE FOLLOWING LIMITS APPLY - PLEASE READ CAREFULLY:

This warranty applies only to you as the original purchaser of the service and/or repairs, and only to the actual work performed and parts installed under this Work Order. No other warranty is implied or expressed. **THIS WARRANTY DOES NOT COVER TOWING, STORAGE, CAR RENTAL, DAMAGE TO PROPERTY, DAMAGE TO ANY COMPONENTS DUE TO CONTAMINATED FUELS OR LUBRICANTS, LOSS OF USE, LOSS OF TIME, LOSS OF INCOME OR PROFIT, OR ANY OTHER CONSEQUENTIAL OR INCIDENTAL DAMAGE WHICH MAY BE INCURRED AS A RESULT OF DEFECTIVE PARTS OR WORKMANSHIP.** Ultimate Bimmer Services will not be liable for any costs or charges incurred at other repair facilities without our written consent. Warranty will be voided by overheating, lack of lubrication, off-road use, misuse, negligence, failure to perform normal or required maintenance, abuse, and unauthorized modification of completed work.

While working on a vehicle, components can break or become damaged due to the fact that they are worn or aged. We take every precaution to prevent this from happening and we do our best to anticipate when and where it might happen. However, Ultimate Bimmer Services assumes no liability for any damages resulting from worn or aged components, including but not limited to broken or rusted bolts, broken vacuum lines and broken hoses. By signing this Work Order, you acknowledge this policy and take all responsibility for said components on your vehicle. If a worn or aged component is damaged, you will be notified of additional costs before repairs are performed.

Future service and/or repair costs are not included in this Work Order, unless so stated in writing. This warranty does not cover any repair or replacement that is covered by manufacturer warranty or any other applicable warranty.
